

## WHY USE PETER LYNN & PARTNERS?

For many business people, a law-firm is seen as a resource to use when something goes wrong.

Whilst we are certainly there to help in times of crisis, it is more beneficial (and cost effective) to try and prevent issues arising in the first place hence our strapline "Preventing Legal Problems".

Below is a familiar scenario where using our services can help prevent legal problems.

### SCENARIO: YOUR BUSINESS PARTNER WANTS TO RETIRE EARLY YET YOU HAVE NOTHING IN WRITING

#### Your Considerations

How do I obtain their shares? What if I can't reach an agreement? Can he close my business down?

#### Why Should You Use Peter Lynn And Partners

There are several complex issues here and no easy answers because of the lack of a formal agreement.

Many issues can be resolved if openly aired. Perhaps with a third party present as mediator however this is not always the case.

If no deal (which needs careful thought) can be reached it is possible the business may have to close or be sold.
